

**Amendments to the Specification:**

Please replace the paragraph beginning on line 19 of page 1 with the following amended paragraph:

Recent advances in the understanding of T cell activation and recognition of target cells has permitted some progress in the development of T cell mediated cancer immunotherapy (Schwartz, *Cell* 71:1065-1068 (1992); Pardoll, [[,]] *Curr. Opin. Immunol.* 4:619-623 (1992)).
